

Bangkok Airways welcomes its latest ATR 72-600

Bangkok / 19 January 2016 - Bangkok Airways Public Company Limited has today taken ownership of its fifth brand-new ATR 72-600. Four more are still to be delivered.

The new-generation ATR-600s are equipped with state of the art full-glass cockpit monitoring and control systems plus feature high comfort layout seating for 70 passengers with larger overhead bins to enhance passenger convenience and contentment.

The freshly delivered ATR 72-600 will be added to the services on some of the airline's exotic destinations such as Samui, Sukhothai, Trat, Lampang, Luang Prabang, Yangon, Mandalay and Siem Reap.

Currently, Bangkok Airways' fleet consists of 32 aircrafts; 8 ATR72-500s, 5 ATR72-600s, 8 A320s, and 11 A319s. For more information, please visit website: www.bangkokair.com
